Notes:

1. Data represents information collected beginning at graduation and continuing 6 months post-graduation. The term “knowledge rate” refers to the percent of graduates for which the institution has reasonable and verifiable information concerning the graduates’ post-graduation career activities. This information comes from the graduates via survey. Relevant data may also be provided by secondary sources.
2. Career Outcome rate includes full-time employed, part-time employed, continuing education, volunteer service, and military service.
3. Still Seeking rate includes those that indicated that they are seeking employment or that they are seeking to continue their education but have yet to enroll.
4. Percentages are rounded to the nearest percentage point.
** Indicates that population and/or sample size is insufficient to report.
