Dear Recruiters,

Thank you so much for your interest in recruiting our students at The University of Alabama. Your organization’s involvement in our students’ lives can have a lifelong impact on their professional success. We hope this handbook will provide you with information to ensure you have a productive visit on our campus and will provide more insight regarding the services the Career Center provides.

The University of Alabama’s main Career Center is located in the Ferguson Student Center, Suite 3400. Additionally, we offer specialized career services to our Business students in Bidgood Hall, to our Engineering and Co-Op students in HM Comer Hall, and to our Communications & Information Sciences students in Reese Phifer Hall. The Career Center continues to be committed to providing a connection between employers and our incredible students. I want to make certain that our team provides you with the necessary support to meet your recruiting goals.

We appreciate all the support you have shown in the past to our students and hope that we can continue to build on those relationships. One option to illustrate this support is through our Career Center Champion sponsorship program. This program provides employers with a branding opportunity at our main Career Center. Additionally, we are also asking that our employers consider sponsoring a room in the Career Center. There are a variety of room options, and I would love to speak with you about the option that best fits your organization’s needs.

In the summer of 2017, the Career Center transitioned to Handshake to support our recruiting programs. This online platform offers our student more opportunities to engage with employers and provides employers the ability to post a job with multiple schools through one system. We have already seen an increase in student engagement and the number of opportunities posted as a result of this change. We encourage you to utilize Handshake for maximum exposure to our students.

Thank you again for your commitment to our students’ success, we are certain you will all be pleased with the quality of our students as you continue to engage with them. Please feel free to reach out to me regarding any ideas you might have that will contribute to the success of our Career Center and ultimately to our students.

Sincerely,

Melinda King, SHRM-SCP
Executive Director, Career Center
Division of Student Life

HANDSHAKE

Handshake is UA’s full-service online recruiting system that allows companies to post jobs, schedule interviews, register for career events, and create resume bundles.

REGISTER WITH HANDSHAKE

Please allow one business day for an account created through joinhandshake.com/employers to be activated, and monitor email, as you will be asked to confirm your request within 24 hours of receiving the message.

For additional information about creating an account and posting a job, please contact our on-campus recruiting specialist, Jared Taylor-White, at 205-348-2128.

Jobs posted in Handshake require student candidates to be pursuing or to have graduated with a degree. To post part-time or other student employment opportunities, please contact the student employment office at 205-348-4354.
The University of Alabama Career Center has 18 interview rooms available for on-campus interviewing, as well as a room for remote interviews via Skype or similar technology. We also have a conference room and a classroom available for your use.

Instructions for Requesting an On-Campus Interview Schedule
To request an on-campus interview schedule, you will need to have a Handshake account. Log in or register at ua.joinhandshake.com.

Request an Interview Schedule/Attach Position

• Click on the “On-Campus Recruiting” tab on the top navigation bar.

• Scroll down and click “Request a Schedule.” This will allow you to choose a date and how many rooms you would like to reserve. You can also add notes to your schedule; for example, if you would like back-to-back 1-hour interviews, or if you will need a conference room. An interview room is also available in the Culverhouse College of Business satellite office, located in Bidgood Hall, and may be requested in the notes section.

• Schedule an interview type:
  ✦ Room only (you will build your own schedule outside of the system; employer needs just a room)
  ✦ Pre-select/Pre-select alternate (will collect resumes through Handshake and review resumes/invite students to interview)
  ✦ Open (rarely used: students can automatically sign up for an interview if they meet the screening criteria on the posting – contact does not have to invite)

• Complete all fields and submit. Your request will be processed within 24 hours and you will receive a system-generated confirmation email with details.

Day of Interviews
Bring a printed copy of the parking pass that was emailed to you when you registered for on-campus interviews. If you need an additional copy, please contact the Career Center at 205-348-5848 prior to your visit. The interviews will take place in the Career Center in the Ferguson Student Center, Room 3400, located on the third floor. The parking pass you receive includes a map and directions to Ferguson Student Center parking at 751 Campus Drive, Tuscaloosa, AL 35487.

When you arrive, please check in at the Career Center’s reception desk. Our office is typically open from 7:30 a.m. to 5 p.m. Please let Jared Taylor-White know if you have additional requests prior to your visit (you can also note this when requesting your schedules). In your interview room, you will find a folder and a packet of your interviewees and their resumes, along with Wi-Fi access information. Please leave a list of the names of the interviewers or their business cards at the front desk.

For assistance in requesting or updating your schedule, please contact Jared Taylor-White at 205-348-2128 or jtwhite13@ua.edu.
